APPRECIATIVE AUDIENCE HEARS A CAPPELLA CHOIR

An appreciative audience of the community's music lovers greeted the Los Angeles A Cappella choir at its concert Friday night in the Torrance High School auditorium. Especially popular with the audience from Part I of the program was "O Praise Ye God" by Tschalkowsky.

"Beauty in Humility," by Christianson, was dedicated to the 1948 Torrance Senior class and was an outstanding number of Part II of the program. Another popular number was "The Peasant and His Oxen" by Aschenbrenner, a selection lighter in type and with a well-timed choral effect.

The soloists gave outstanding performances. "I Wonder As I Wander" was sung by Barbara Dupuy, Velma Stickney, Lawrence Larsen and Gerald Shepherd had the solo parts in "When De Star Shine." "There is a Balm in Gilead" was sung as an interpretative solo by Olive Shepherd.

The concert ended with "The Music of Life" by Nobel Cain. Following the concert an informal reception was held in the school library for the choir and music lovers of the community. Dr. George H. Hultgren, director of the choir, sang two solos to his own accompaniment. Gerald Shepherd also sang two solos, one with the Torrance Senior Chorus as background.

A highlight of the reception was the enthusiastic applause and adults when he thanked the given to Lloyd Waller, high school principal, by students.

Church Bible School Opens

The Torrance Foursquare youth and children's religious education department have planned an excellent program for two full weeks of Vacation Bible School. The school will open at 9 a.m. next Monday morning and will continue two weeks with sessions daily except Saturday and Sunday, from 9 to 11:45 a.m.

Each child will receive a book of lessons and will make handwork including mottoes, crepe basket work, leather work and many other things. Everyone in Torrance and surrounding communities is invited to attend and send their children. The Torrance Foursquare church is located at 1207 El Prado.

Red Cross to Hold Meeting

A Torrance branch Victory meeting of the Red Cross will be held in the Chamber of Commerce building Friday, June 18, at 8 p.m.
Volunteers and community leaders will get together in an open forum and discuss the many peacetime phases and activities of Red Cross.

Ken Baker, Chapter campaign director, will speak on the necessity of early planning and organizing for future campaigns. A large attendance is urged.

Asks Motorists to Help Select Highway Route

In order to determine the best possible routing for any future relocation of U.S. 101 through San Diego and Orange counties to Los Angeles, the Division of Highways will undertake a special traffic survey beginning June 15.

It is proposed to stop several hundred thousand trucks and passenger cars and check where the drivers are going, from whence they came and why. The answers obtained will determine the traffic habits and traffic requirements of the areas.

"Motorists will not be appreciably delayed at the interview stations," McCoy said. "Cooperation of the driving public will be appreciated and is necessary if the correct answers are to be obtained by the agencies cooperating in the survey."

STUDY MADRID FRANCHISE

Review of the franchise under which the Santa Fe railroad tracks were laid in Madrid avenue is to be made by City Attorney C. Douglas Smith for the City Council, at the request of Councilman Nicholas Draie. Draie said he was of the opinion that the franchise had expired.
